The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

## VIOLENCE AGAINST WOMEN

### Resident Notice:

The Violence Against Women and Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162), (VAWA), was signed into law January 05, 2006 and is now in effect. The primary objective of VAWA is to reduce violence against women who are victims of abuse. This includes families participating in the Public Housing program. This law prohibits the eviction of victims of domestic violence if the violence is the sole reason for the eviction. Although the title of the law appears to make it applicable only to protect women, it actually protects children and male victims as well.

What this means to you as a tenant is that if you are being evicted due to acts of domestic violence including disturbing the neighbors or damages to the unit, and if you sign a certification that you are a victim of domestic violence, the Housing Authority can only proceed with the eviction against the abuser, and not the remainder of the family. The victim must complete a certification form which is available in our office, and return it with 14 business days, stating that they are a victim and stating the name of the abuser. The victim may be required to provide official documentation or physical proof. In lieu of the certification, the victim may provide documentation by:

1. A Federal, State, tribal, territorial, or local police or court records; or
2. Documents signed by an employee, agent or volunteer of a victim service provider, attorney or a medical professional, from whom the victim has sought assistance in addressing domestic violence. The professional must attest under penalty of perjury to their belief that the incidents in question are bona fide.

If the victim does not provide the certification and /or verification, the FHA may proceed with the eviction against the whole family.

**PLEASE BE AWARE THAT THIS DOES NOT LIMIT AN EVICTION DUE TO ANY LEASE VIOLATION NOT BASED ON AN ACT OF VIOLENCE AGAINST A FAMILY MEMBER, OR AN EVICTION BECAUSE THE OCCUPANT CAN BE DEMONSTRATED TO POSE AN ACTUAL OR IMMINENT THREAT TO OTHER TENANTS OR THE PROPERTY'S EMPLOYEES.**

If you have any questions, or would like guidance in situations covered under VAWA, you may contact the Housing Authority of the City of Potosi at 438-2362 or feel free to come by our office at any time.
